AccessNI Fees

This circular contains important information about changes to AccessNI fees with effect from 1 April 2024.

Detail

1. AccessNI is required to operate the disclosure service on a full cost recovery basis. This means that income must be received to cover the cost of operating the service. To this end, AccessNI charges fees for the various services provided.
2. A review of the AccessNI business model has been approved, resulting in a reduction of the Enhanced Disclosure Check as stated below, which comes into effect on 1 April 2024:-

Service	Current Fee	New Fee
Enhanced check	£33	£32

3. Based on current forecasts, we expect that the above fees will remain in place, at least, for the next two years, subject to annual reviews of the business model.
